Dear Graham

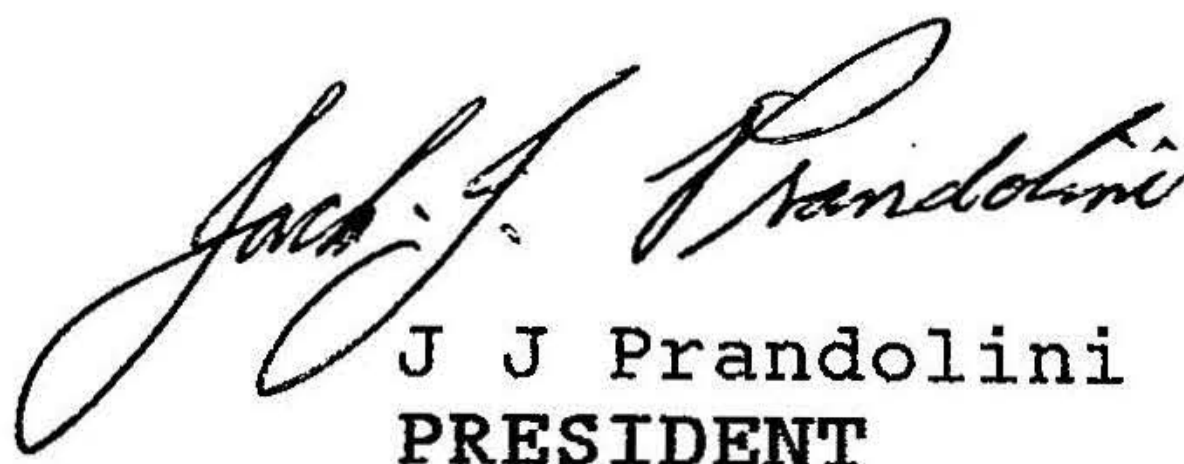

When one looks at the names of winners of the Royal Queensland Bowls Association Championship singles, pairs and fours over the years it contains names of players who had or later represented Australia.

Records show that from 1904 only one player has won all three events in the one year.

That player is Graham Cook, of Mackay Bowling Club.

Might we, on behalf of the Royal Queensland Bowls Association, place on record your achievement and add congratulations for a truly tremendous feat.

Yours sincerely
