All winners, runners-up & semi-finalists must have WON at least 1 match before their last match in Club or CofC events to receive POY points (I.E. no forfeits or byes)

For consistency and to avoid confusion or any complication regarding substitutes, in each section (Club;CofC;Zone;State), only players who actually play in matches above receive POY points, other round or qualifying match players receive zero POY points.

POY is Mackay District "CLUB" player of the Year, POY points will ONLY be awarded to players competing for their DECLARED club.
